

The Association of Run-off Companies Ltd is the UK market body for insurance and reinsurance legacy management professionals. Originally set up in 1998 by a founding membership of senior claims representatives from London Market companies, the membership has grown and broadened to include companies worldwide that write business in the UK. The Academy exists to provide focused and interactive legacy training to staff within a cost sensitive sector.

## Timebar Workshop (Time waits for no man, aka know your limitations...)

This half day workshop is designed for working practitioners to upgrade, or refresh, their working knowledge of the timebar rules in the UK, with some mention of international differences. There will be a limited number of places to enable teams to review and examine several different timebar studies. Some papers may be presented in advance to prepare the delegate for the afternoon.

Delegates will be offered a copy of the soon to be reissued Timebar text book, a complete reference book of all jurisdictions and their policies.

24 May 2010. Clyde & Co offices, 51 Eastcheap, London EC3M 1JP

### 13.30 Registration & refreshments
