The Grange Hotel

The annual Dinner has changed venue this year, reduced in price, and moved away from the school break so put this in your Diary now!

ARC are offering corporate tables of ten at £1,100 plus vat and a deposit of £200 guarantees your table at this can't miss event. The Grange Hotel, through its private entrance for diners, will take you to your welcome reception where you and your guests will receive name badges, your table placement and be shown to the secure cloakroom. The hour long reception in the Crown Room will have sparkling wine, a live quartet and an outside balcony for those who need the open air.

Dinner will begin at 19.30 with short welcome speech from the chairman after your guests are all seated. Wine is included in the price of the Dinner, but a selection of other beverages will be available at the back of the dining room during the evening.

Enhancing this pleasant experience will be the ARC Legacy Awards ceremony. Nominations are encouraged up to September 30 and we hope that you will enter. The Grange will extend its bar facilities to those guests who wish to remain after the event and they also offer an event room rate of £185.00 plus vat. Please quote ARC Dinner 041109 when you book with them.
