Hi

Following the recent allegations of bullying at No.10 Downing Street, [Park City](#) have produced this valuable *free* document for all employers, which outlines how you can recognise and manage bullying, discrimination and harassment if it is discovered in your own workplace.

Click on the documents below to access lots of useful information for you, your company and your employees:

- [Employer's FAQs – How to Manage Bullying in the Workplace](#)
- [Free Bullying at Work Template HR Policy](#)
- [Mediation - Its Role in Managing Disputes](#)

Remember also that, unlike a well-publicised charity helpline, **Park City's 24 hour employer's helpline is 100% confidential** and if you have any personnel (or Health & Safety) issue, we will give you clear advice and guidance on how to manage these tricky situations if they arise.

Your peace of mind will be significantly enhanced if you let us guide you through the complex minefield that is employment law.

If you would like to find out more about Park City's staff management services and how we can help you manage grievances, [visit our website](#) or call us on tel: **01206 752 100**. Alternatively, **reply to this e-mail**.

For [detailed information on Park City's mediation services](#), follow this link.

I hope you find this free guide useful and informative.

Regards

Juliet Price, Managing Director
