Good afternoon.

The importance of teamwork in reaching goals and objectives has really been highlighted in recent weeks. At the World Cup, teams made up of superstars have been crashing out early whilst nations who are not blessed with individual performers have come through with a superb team ethic.

At Wimbledon, Andy Murray has reached the semi-finals. Whilst he is undoubtedly an excellent individual performer, he is always keen to stress that he is part of 'Team Murray' and that his personal success is thanks to those in this support team.

All of the fundamental aspects that make up these winning teams can be applied to your organisation. Our expert HR Consultants have put together this invaluable free guide for you and your employees entitled: "[How To Form a Successful Team](#)". This guide gives a very good idea about how [Park City](http://www.parkcity.co.uk) could drive your business forward through tailored training and personalised, strategic HR support.
