

RIKER DANZIG ANNOUNCEMENTS

Riker Danzig is delighted to announce that Neil Ellis, partner, and Andrew Schutte, counsel, have joined the Insurance and Reinsurance Group at Riker Danzig London LLP.

Neil has a long-established practice as a solicitor in the London and international insurance and reinsurance markets. He is a frequent speaker at conferences in the UK and the US on insurance and reinsurance issues and contributes articles for market publications. Andrew also practices insurance and reinsurance law and has published a number of articles in the (re)insurance industry press. Neil and Andrew's main focus is on the handling of insurance and reinsurance disputes, arbitrations, mediations and court proceedings, as well as the drafting of insurance and reinsurance contract wordings. Their clients include London and international insurers and reinsurers, in both the live and run-off markets.

Their arrival strengthens the London arm of Riker's highly-regarded Insurance and Reinsurance team. Shawn Kelly, co-chairman of the firm and head of the Insurance and Reinsurance Group, welcomes Neil and Andrew: "We are very happy that Neil and Andrew have joined Riker Danzig in London to build on our existing strength in insurance and reinsurance. They bring strong experience that will continue driving forward our London office, and provide the kind of depth and understanding of the industry that our clients have come to rely on."
