Welcome to the first edition of the Hogan Lovells Global Insurance and Reinsurance Bulletin.

Hogan Lovells is a new global law firm created to provide high quality advice to corporations, financial institutions and governmental entities across the full spectrum of their critical business and legal issues globally and locally. Bringing together the combined strengths of our predecessor firms, we have over 2,500 lawyers operating out of more than 40 offices in the US, Latin America, Europe, the Middle East and Asia. With the insurance market continuing to present many challenges for policyholders, insurers, reinsurers and intermediaries alike, our insurance and reinsurance practice will continue to provide you with the high quality legal advice with which you are accustomed.

We welcome both our existing readers and our new readers to this new Hogan Lovells publication in which we continue to bring together into one place, an update on developments occurring within the last quarter across the global insurance and reinsurance markets.

We would gladly receive any feedback that you may have - please feel free to get in touch with the editors or any of the contributing Hogan Lovells members whose contact details are contained within
