Dear Leslie-Ann, Terry, Philip and Paul,

On behalf of the National Society for Epilepsy (NSE), I would like to thank ARC for the donation of £3625. Please accept this letter as a receipt of the funds. Thank you very much, not only for the financial gift, but also for your generosity in giving up time to raise the money. Perhaps you would be kind enough to extend our grateful thanks to all those involved.

NSE relies on donations such as yours to continue its essential work to help people with epilepsy: promoting accurate health care information; providing expert clinical care; and pioneering research into the causes and treatment of epilepsy. With many of the usual sources of funding compromised by the credit crunch we are particularly grateful for the dedicated support of so many in their continued fundraising activities for NSE. Thank you.

Do let me know if I can be of any help in any future fundraising, you can contact me by telephone on 01279 778058 or by email on joanna.tripp@epilepsynse.org.uk. I have also enclosed a copy of our latest events leaflet for your interest. I would be happy to send additional copies if they might be useful.

Thank you again for choosing to support NSE's work. Your contribution really will help to make a difference to people living with epilepsy.

Yours sincerely,

Joanna Tripp
